Total Filing Fee	\$1,717.00
Total Amendment Fees	\$305.00
Total Postage Fees	\$561.05
TOTAL:	\$2,583.05

Lanigan seeks reimbursement of these costs.

V. Evaluation Standards. In determining the amount of reasonable compensation to be awarded, the court should consider the nature, extent and value of services rendered, taking into account all relevant factors, including the factors set forth in *Johnson v. Georgia Highway Express, Inc.*, 488 F.2d 714 (5th Cir. 1974) which are as follows:

i) Time and Labor Required. Lanigan has acted as bankruptcy counsel for the Debtor since the petition date. Lanigan has worked diligently to expeditiously

complete work assignments on the case. Lanigan has spent a total of 793.9 hours in rendering services to Debtor.

ii) Novelty and Difficulty of Questions.

(1) Business of Debtor. Debtor was a tourist hotel serving the tourist needs of Central Florida.

(2) Precipitating Factors. As previously stated, Debtor's only asset was the Hotel. Debtor had significant equity in the Hotel. The Hotel was up for sale. The Hotel was also in commercial foreclosure proceedings in Osceola County, Florida. The secured Lender, Banco Inbursa, SA had filed a motion for summary judgment in the foreclosure case and was scheduling the motion for hearing when the bankruptcy was filed. Under court order in the foreclosure proceedings, the Debtor was to pay Banco Inbursa, SA monthly protection payments of \$40,000.00. Additionally, under said state court order, Banco Inbursa, SA could take immediate possession of the Hotel in the event of non-payment on one of the monthly payments. In June 2017, the Debtor became unable to financially meet this monthly obligation. Rather than lose the Hotel, and all equity in the Hotel, the Debtor filed for Chapter 11 protection in order to liquidate. Without liquidation in Chapter 11, neither the Debtor nor its creditors could benefit from its equity position.

iii) Skill Necessary to Properly Perform Legal Services. The representation by Lanigan involved a high degree of skill due to: (i) the complexity of the Debtor's financial affairs; (ii) the initial lack of information about the Debtor's debt and business affairs; (iii) the fact that the Debtor had no alternative option but to sell the Hotel under Section 363; (iv) the short time which the Debtor was afforded by Banco Inbursa,

SA to sell the Hotel pursuant to Section 363 at a market price; (v) negotiations with all creditors, and (vi) communications and negotiations with potential purchasers of the Hotel.

iv) Preclusion of Other Employment Due to Acceptance of Case.

Representation in this case involved a considerable commitment of the resources of Lanigan. This matter took up a majority of Lanigan's time during the periods addressed herein. Lanigan has a busy legal practice, offers professional services that are in demand by others, and was precluded from taking other employment during this period because of the time demands of this case. In sum, in addition to having to complete all the administrative tasks of the bankruptcy process, Lanigan had to complete the marketing, sale, and closing of a multimillion dollar hotel asset in a matter of months. This took a considerable amount of time.

v) Customary Fee. The fees requested in this case are below the current rates charged by Lanigan for legal services of a similar nature. Roddy B. Lanigan's rate is currently \$375.00 per hour and Eric A. Lanigan's rate is \$425.00 per hour.

vi) Fees Fixed or Contingent. Lanigan did not intend to undertake representation on the basis of a contingent fee. Lanigan requests allowance of reasonable fees based on Section 330 and 331 of the Bankruptcy Code and the fee agreement existing between Lanigan and the Debtor.

vii) Time Limitations Imposed by Case. There were unique time limitations imposed by the circumstances of the case. The Secured Lender, Banco Inbursa, SA made clear to the Debtor that they would only refrain from moving for relief from stay for a period of approximately six (6) months from the date of petition. Debtor and Lanigan worked diligently within this six (6) month time frame to get the Hotel sold in bankruptcy.

Had the undersigned been unable to get the Hotel sold under these tight timeframes, it is likely Banco Inbursa, SA would have moved for relief from stay, the case would have been dismissed, and the remaining creditors would have been left without any means of recovery. Thus, the case required much of the Lanigan's attention and resources during the limited time afforded.

viii) Amount Involved and the Results Obtained. The amounts involved in this case were large in comparison to the fees charged and compensation sought. The Hotel sold for \$8,550,000.00. After closing costs and payment to Banco Inbursa, SA, the Estate is left with \$3,123,248.60 to pay creditors. Lanigan and Debtor negotiated a 1% fee to the Estate's realtor, Terry Hatfield. Hatfield was paid \$85,500.00 at closing as opposed to the customary 6% real estate commission fee of \$513,000.00. Lanigan's fees and costs are \$242,448.05 after application of the retainer. Lanigan's and Hatfield's combined fees are \$185,052.00 below what would have been paid to a realtor under a normal 6% real estate transaction. The Debtor obtained a successful result. Because of the efforts of Lanigan, Debtor was able to sell the Hotel within the time limits discussed herein and is now in the process of liquidation. As it relates to the Estate, and the ability to pay creditors of the Estate, the case is already effectively guaranteed to be successful. In sum, without the filing of the bankruptcy and sale of the Hotel under Section 363, only one creditor would have ended up being paid by the Debtor: Banco Inbursa, SA. Lanigan's efforts have considerably assisted, aided, and benefited the Estate.

ix) Experience, reputation, and ability of attorneys. Roddy B. Lanigan, Esq. has been practicing law since 2007 in the State of Florida and has been a member of this Court since that time. During that time, he has been involved directly or indirectly

with innumerable cases within this Court. Eric A. Lanigan, Esq. has been practicing law in the State of Florida since 1976 and has been a member of this Court since that time. During that time, he has been involved directly or indirectly with innumerable cases within this Court. Together, the Lanigans' have 53 years of combined legal experience in state and federal courts. Lanigan believes their reputation in the community is sound. Lanigan is in good standing with the Florida Bar. Lanigan believes that their actions of successfully steering this matter through the Section 363 process speaks to their abilities.

x) Undesirability of the Case. Because of the required commitment of considerable time as discussed herein, this case has caused Lanigan to defer work and refuse work on other matters. Had Lanigan not taken this case then all time billed herein would have been billed to other clients or would have been spent working on their contingency related matters. Lanigan has experienced delay in payment of fees and costs and assumed a substantial risk of non-payment if the case proved unsuccessful. The delay in payment of Lanigan's fees further reduces the value of any award. In *Missouri v. Jenkins*, 109 S.Ct. 2463 (1989), the Court recognized that delay in payment may justify an enhancement of a fee award where the applicable statute authorizes a "reasonable attorneys' fee." This case is not otherwise undesirable.

xi) Nature and Length of Professional Relationship with Debtor. Lanigan conferred with the Debtor regarding the filing of this case. Lanigan has no other prior professional relationship with the Debtor, other than representing them briefly in their foreclosure action.

xii) Awards in Similar Cases. Based on the foregoing factors, the amount requested is well within the range of awards for similar services within the Middle District of Florida.

VI. DECLARATION. The undersigned offers this declaration under penalty of perjury in support of the foregoing Application of Attorneys for the Debtor for Award of Compensation for Services Rendered and Reimbursement of Expenses:

A. I am a member of Lanigan & Lanigan, PL (“Lanigan”), a Florida corporation engaged in the practice of law, and in that capacity have control over the books and records of Lanigan relating to the matters set forth herein, which books and records are kept and maintained by Lanigan in the ordinary course of its business. I make this declaration based upon personal knowledge of the matters set forth herein.

B. I am the billing and responsible attorney assigned by Lanigan to represent the Debtor. I was admitted to the Florida Bar in 2007 and to the bar of the United States Bankruptcy Court in 2007. I am also admitted to the U.S. District Courts for the Middle and Southern Districts of Florida, and the United States Court of Appeals for the Eleventh Circuit.

C. Compensation being sought by the Application is based on the customary compensation charged by comparably skilled practitioners in cases other than cases under title 11.

D. I billed this case at the hourly rate of \$350.00, which does not exceed hourly rates charged by practitioners with comparable experience, qualifications and expertise in the Orlando area.

E. The foregoing application of Lanigan is true and correct.

Dated: March 21, 2018.
